

VISIONEERS! We are LOOKING FOR YOU...

(VISIONEERS IS A MINISTRY BY AND FOR 3rd & 4th Graders)

September

General INFORMATION and CONTACT INFO:

On your Sunday night, participant drop-off is under the covered drive-thru - on the backside of the church. We will have someone there to meet you and provide you with any further instructions if necessary. We will also have someone in this same location at the end of the evening to send you off.

The activities begin at 5:00 PM in our regular meeting place, the "Loft". You will find its entrance in the middle of the hallway, along the right side of the gym. Pick-up is at 6:30 PM. ***Please do not drop your child off earlier than 5:00 and be sure to make visual contact with a program leader - before leaving, just in case a schedule change has occurred.***

Mapping it Out!

Our Scripture Verse is: "He drove out the man; and at the East of the garden...he placed the cherubim, and a sword flaming...to guard the way to the tree of life." Genesis 3:24

Church Calendar Events

*If your parents are taking one of the adult Connect classes, then hang out and have some fun!

MISSION

Hearts on Fire...Seeking, Sharing, Serving...for God

Mark your family calendar for Sunday, October 1st and join us on this wonderful day of service to United Ministries! Create a team of walkers out of your friends, family and neighbors. Let's help transform lives...and teach our families how to be generous givers of their time, talents and finances.

Mapping Skills

In our current day and age, we don't have a great need for paper maps to get us from place to place. We are **Blessed** to have software on our phones to help us do that. While they are great when we are lost in roadway travels, they aren't so great when we are lost in our spiritual travels. God has also **Blessed** us with a roadmap to answer those harder questions in life, like why am I here? Or Is God listening? That roadmap is contained in the book we call the Bible. Be sure to bring yours to Visioneers so that we can teach you how to read it!

For more mapping practice, make your own map of your house, hide a treat and then invite a friend or family member to use your map to find it.

Fox has drawn a map for the race. Start at the arrow and follow the dots according to the directions. You'll end up at the finish line!
