SAFE SANCTUARY

At Aldersgate UMC, we are committed to doing everything we can to protect our children and vulnerable adults. This means we abide by a Safe Sanctuary policy, which includes all Aldersgate activities whether they meet on campus or off. As a member of a Companion Group that includes children and/or youth, you will be asked to abide by the following Safe Sanctuary rules:

- No adult should be alone with a child or youth they are not related to. There should always be other adults around. Because spouses cannot testify against their spouse, this also means that a husband and wife team cannot be alone together with children they are not related to; there must be a non-related adult or a child's parent/grandparent present. (This may affect how your group handles some activities and should include any extra excursions your Companion Group plans)
- All adults participating in Companion Groups that include children and/or youth will need to give Aldersgate permission to run a background check if they do not have a background check on record already with Aldersgate.

Do you agree to abide by these Safe Sanctuary policies? (circle one) YES NO

There will be an introductory meeting before groups begin in August. There will be several options available but it would be helpful to know what options are best for your family.

Circle the times/days of week that work best for your family (as far as you know). Put a star on what you think is your best option:

Monday evening Tuesday evening Thursday evening Saturday morning Sunday afternoon Sunday evening
