

# ALDERSGATE CHILDREN AND YOUTH MINISTRY

## SUMMER REBRANDING PROJECT

Idea submissions will be accepted between June 18th - July 30th with a special reveal party on Sunday, August 27th!

### Why are we rebranding?

Over the last 15 years, the make-up of our children and youth ministries has changed many times. Currently, it includes 3rd - 12th graders. We think it's time to choose a new name to reflect who we are.

01

### Who can participate?

Anyone in grades 3 through 12. You can even work on it as a team or family!

02

### What if I'm not an artist?

You don't have to be an artist to join the fun! All we need is a name for the new ministry and if you have an idea for a design, we can find someone to help bring it to life.

03

### What are the details?

Submit your name/design idea(s) anytime between June 18th and July 30th to Andre or Ruth. We will reveal the chosen design on Sunday, August 27th.
